### Use of Personal Health Information

We are registered under the Data Protection Act and have robust systems in place to protect your confidentiality.

Summary Care Record: This allows all NHS health care services to access your medical records.

Care Data: The role of the [Health and Social Care Information Centre \(HSCIC\)](#) is to ensure that high quality information is used appropriately to improve patient care and health services for all.

### Zero Tolerance

**The surgery has a policy of removing any patient from our list who is physically or verbally abusive or threatening towards any member of staff or other patients.**

### Keep your appointment

If you have made an appointment to our medical team and are unable to attend or no longer require

it, please let us know as soon as possible so that we can offer it to another patient.

### Suggestions and Complaints

Please bear in mind that we strive for perfection, but cannot do so without your support. Comments and suggestions are welcome. Suggestion box is located in the reception.

An in-house complaint procedure is available should you require it. The practice manager is the first point of contact.

Patients who have a comment or complaint, separate leaflet is available at reception.

### Practice Area & Registration

The practice is taking on new registrations  
The practice area covers part of Stanmore, Kenton.

New patients are welcome to attend the registration check or NHS health check for certain age group without any medical condition, which includes height, weight, blood pressure measurements and a urine check. You will also be asked to fill in your personal and family medical history. Please bring any medication you are taking.

#### **Registration: during opening hours daily**

Please note that patient's ID (e.g. passport or driving licence) and Proof of Address (e.g. telephone bill, utility bill, etc) are required to complete the registration process.

**Patient Participation Group** We have a patient participation group. If you are interested in joining the group, please contact reception.

### Consultations

The length of routine booked appointments with the doctors in the practice is **10** or 15 minutes, if more than one member of your family wishes to be seen, please make a separate appointment for each of them. Children should be accompanied by an adult but will be seen alone if appropriate.

### Access

- Access for wheelchair users available
- Toilet for wheelchair users available
- Reception services from 8.30 am – 6.30pm Mon-Fri.
- You can access a GP / Nurse in person or by telephone

### Telephone Consultations

The practice provides telephone consultations. You are requested to call between 8.30am – 5.00pm Monday – Friday. **This service is available mornings and evenings.** If the Doctors are not available, please leave your name, contact number and indication for the call. The doctor will call you back as soon as they are available.

### Home Visits

If you do need a visit please try to make the request by 10:00am. A doctor will discuss the problem with you before deciding if a home visit is necessary. Home visits are available to **housebound patients**. Please give an indication of the urgency of your request.

### Out of Hours / Emergencies

Between 6.30pm and 8.30am, all weekends and Bank Holidays out of hour's emergency service is provided by **NHS 111**. Website [www.nhsdirect.nhs.uk](http://www.nhsdirect.nhs.uk)  
**Your local pharmacist can provide advice for simple ailments.**

**PLEASE AVOID GOING TO A&E OR CALLING AN AMBULANCE 999 UNLESS IT IS AN EMERGENCY.**

### Repeat Prescriptions

Please allow **2** working days to process. **Telephone requests are only accepted in exceptional circumstances.** You can obtain your repeat prescription by:  
1. EPS electronic prescription service. Delivered to your choice of chemist (you need to sign with them)

2. Leaving a written request in the box at reception.
3. By post (please include a SAE if you want the prescription to be posted to you).
4. Online prescription requests. (Please go onto our website [www.thestreatfieldmedicalcentre.co.uk](http://www.thestreatfieldmedicalcentre.co.uk)) you need to obtain your log in details from receptionist)

The practice provides all medicines as 'generics' – the true chemical name rather than the company brand name.
